

Pathfinder Tales: Liars Island: A Novel

Rodrick is a con man as charming as he is cunning. Hrym is a talking sword of magical ice, with the soul and spells of an ancient dragon. Together, the two travel the world, parting the gullible from their gold and freezing their enemies in their tracks. But when the two get summoned to the mysterious island of Jalmeray by a king with genies and elementals at his command, they'll need all their wits and charm if they're going to escape with the greatest prize of all—their lives. From Hugo Award winner Tim Pratt comes a tale of magic, assassination, monsters, and cheerful larceny, in Pathfinder Tales: Liars Island, set in the award-winning world of the Pathfinder Roleplaying Game.
