

Suspense and Sensibility or, First Impressions Revisited: A Mr. & Mrs. Darcy Mystery (Mr. & Mrs. Darcy Mysteries)

Fresh from the curious and unsettling matter of Caroline Bingley (as related in *Pride and Prejudice*), Mr. and Mrs. Darcy have every intention of enjoying their still newlywed status at Pemberly until they are confronted with another mysterious situation, ... one of *Suspense and Sensibility*. Elizabeth Darcy and her beloved husband Fitzwilliam are taking on the responsibility of finding a suitable suitor for Elizabeth's younger sister Kitty, thereby assuring her a proper place in society. The angels smile on the young and a perfect match is found, and wedding plans are soon under way. Suddenly a change in personality occurs in Kitty's soon-to-be model husband—a change so striking as to jeopardize not just the Darceys' social standing, but their lives as well. A mysterious mirror, an insidious reprobate from the past, and matters far beyond the social circles around Pemberly all come into play in a dangerous puzzle, where the consequences may be the exchange of a soul for a soul. Once again the Darceys take center stage as the Regency era's answer to *The Thin Man's* Nick and Nora, searching for truth between tea times, amid the social whirl of Jane Austen's England.
