

The Alchemical Detective: Book Two in the Riga Hayworth Series (Volume 2)

There's a storm on the horizon. Riga's lost her magic and has come to Lake Tahoe to recover and spend quality time with her new love. But life for Riga is never that simple. A psychic has been murdered, and the police believe Riga has a connection to the crime. They're right. And if that's not enough, Riga is drafted as the host of a reality TV show about the local lake monster, and her niece is rejecting her metaphysical gifts. Juggling demons, daimons, and angry tarot card readers, Riga must catch a killer before she becomes the next target. *The Alchemical Detective* is a paranormal mystery novel that explores a world of alchemy and the imagination.
