Within the oyster All gray and abrasive A bluish pearl hid She was being evasive.... Inkella is a half mermaid, half squid clan poet with a problem. All she wants is a little quiet so she can compose. But with a family party underway, and with her sister giving her the responsibility of watching Pimmy, a guests pet, she finds much more excitement than she bargained for. Not only that, but her long-lost uncle is showing up to the party, and father has an announcement that will affect the whole family. Just when she thinks she has a minute to work on her poetry, she and Pimmy are swept away by a current! Will Inkella be able to make it back to the party at all?
