

Little Wild Flower: Book Four: The Beginning Years (Volume 4)

Amish Wildflowers continuing story...All Jane wants is to be a normal child, but she believes she needs super-powers to help her survive her tormented childhood at the hands of her alcoholic mother. By the time she reaches her teen years, Jane is tired of living in fear, feeling she is about to break. When a friend tells her that he believes its her destiny to save her mothers life--the very person whod been so cruel to her, Jane doesnt believe shes up to the challenge, since she wishes only the opposite for her mother. Will she be brave enough to look beyond her own pain and find the strength to save them both, or will Jane become a sacrificial lamb for her mothers sake? This book contains some mildly disturbing situations in order to maintain the authenticity of the story of Janes stormy childhood with her alcoholic mother--before she found Jesus and got saved. Janes story is based on true events...This book was previously titled: Little Wild Flower: Unto Others. This is a revised edition with over a hundred pages of BONUS MATERIAL.

Little Women is a novel by American author Louisa May Alcott (18321888), which was originally published in two
volumes in 18. Alcott wrote the books rapidly over several months at the request of her publisher. The novel follows the
lives of four sisters Meg, Jo, Beth, and Amy . The principal character, Jo, 15 years old at the beginning of the book, is a
