

The Stories of Paul Bowles

The short fiction of American literary cult figure Paul Bowles is marked by a unique, delicately spare style, and a dark, rich, exotic mood, by turns chilling, ironic, and wry, possessing a symmetry between beauty and terror that is haunting and ultimately moral. In *Pastor Dove at Tecate*, a Protestant missionary is sent to a faraway place where his God has no power. In *Call at Corazon*, an American husband abandons his alcoholic wife on their honeymoon in a South American jungle. In *Allal*, a boy's drug-induced metamorphosis into a deadly serpent leads to his violent death. Here also are some of Bowles' most famous works, including *The Delicate Prey*, a grimly satisfying tale of vengeance, and *A Distant Episode*, which Tennessee Williams proclaimed a masterpiece.
