

Blood Lyrics: Poems

Katie Fords is a finely-wrought lyrical beauty, a poetry of detail and care, but she has set it within an epic arc. Poetry I lie still, play dead, am delivered decree: our daughter weighs seven hundred dimes, paperclips, teaspoons of sugar, this child of grams for which the good nurse laid out her studies as a coin purse into which our tiny wealth clinked, our daughter spilling almost to the floor. from *Of a Child Early Born* In Katie Fords third collection, she sets her music into lyrics wrung from the worlds dangers. *Blood Lyrics* is a mothers song, one seared with the knowledge that her country wages long, aching wars in which not all lives are equal. There is beauty imparted, too, but it arrives at a cost: Dont say its the beautiful / I praise, Ford writes. I praise the human, / gutted and rising.
