

## Captains Courageous, A Story of the Grand Banks (illustrated)

Joseph Rudyard Kipling (30 December 1865 - 18 January 1936) was an English author and poet. He is regarded as a major innovator in the art of the short story; his childrens books are enduring classics of childrens literature; and his best works speak to a versatile and luminous narrative gift. Kipling was one of the most popular writers in English, in both prose and verse, in the late 19th and early 20th centuries. In 1907, he was awarded the Nobel Prize in Literature, making him the first English language writer to receive the prize, and to date he remains its youngest recipient. Captains Courageous is an 1897 novel, by Rudyard Kipling, that follows the adventures of fifteen-year-old Harvey Cheyne Jr., the spoiled son of a railroad tycoon, after he is saved from drowning by a Portuguese fisherman in the north Atlantic. The novel originally appeared as a serialisation in McClures, beginning with the November 1896 edition. Includes vintage illustration!
