

## Bloodroot: A Marthas Vineyard Mystery (Marthas Vineyard Mysteries)

Its just another day at the dentists office for Victoria Trumbull when fellow patient, wealthy Mrs. Wilmington, dies. Its an unfortunate, though seemingly not murderous incident, but the receptionist is hysterical, so one of the dental assistants offers to drive her home. But after making a quick pit stop, he finds her body floating in the harbor. With the police shorthanded due to an upcoming presidential visit, its up to Victoria to take on the case. As she wrestles with her ex-son-in-law, a \$3 million will, and a deadly dental clinic, Mrs. Trumbull discovers that nothing in the case is quite what it seems. Bloodroot is the latest in Cynthia Riggs longstanding Marthas Vineyard mystery series, filled with delightful characters and charming descriptions of the beautiful island.
