

Whos Kitten Who?

When it comes to murder this sleuth isn't pussyfooting around...Veterinarian and amateur sleuth Jessica Popper takes center stage in the cast of an up-and-coming Long Island playwrights last production and the fur flies as Jess finds the theater world littered with clues to Simon Wainwrights murder. Was the killer the actress who's a real glamour-puss? Or her rival for Simons affections, a disheveled costume designer who looks like something the cat dragged in? Or how about the fat-cat Broadway producers? Jessies no scaredy-cat when shes on the prowl, but she loses her cool when her future in-laws and their monstrous Maltese descend on the tiny cottage she shares with fiance Nick Burby, Lou the one-eyed Dalmatian, rambunctious Westie Max, and the rest of her menagerie. Between coping with the Invasion of the Barbarians and playing cat and mouse with a killer, Jess could use nine lives herself. But curiosity killed the cat will that be Jessies fate by the time the curtain falls? From the Paperback edition.
