

Scratch the Surface (Cat Lovers Mysteries)

A new series (and a new species) for the award-winning author of the Dog Lovers mysteries. Introducing a great new series and a terrific new sleuth in Felicity Pride, (herself an author of a series of popular cat mysteries). Now Felicitys facing a real mystery when she finds a cat-and a corpse-on her doorstep. Who was he? Who killed him? And what publicity value could it all have for her newest novel? The answers may lie with an avid pet-hater; a highbrow professor whos read every cat mystery ever written; or perhaps with Felicitys own number-one rival in the field, a reclusive, bestselling author. With a burly, kilt-wearing detective on her side, Felicity must sort out a case more puzzling than any shes ever plotted on paper.
