

Sky Grew Dark

Lana Talbot is an outcast, quiet teen in the small, secluded town of Bartonville, a haven of damaged souls. Burdened by social anxiety, she struggles with the direction of her future while her outgoing, flirtatious twin sister, Gwen, undermines her confidence. A new deputy, Geoffrey Davis comes to town with a problem of his own. Can he uncover the twins secret while wrestling with alcoholism and Post Traumatic Stress Disorder from the violent death of his partner? Will Davis rise to be the hero that the town needs or will he succumb to his vices as the floodwaters wash away Bartonvilles sins.
