

Harts Passion (Pirates & Petticoats Book 2)

A Pirate King and a risky disguise... Landon and Keelans adventure continues in Harts Passion. Captain Landon Harts plan to elope with Keelan immediately goes awry when shes kidnapped by pirates. As usual, the red-haired vixen ends up neck deep in trouble, and its not long before she has the pirate captain demanding her head. When they target Landons merchant fleet, the only way to keep her safe is to send her away, then lure the pirates into a final confrontation. But Keelan Grey has a mind (and a plan) of her own Keelan is determined to discover her true identity, but after that run-in with pirates, shes forced to put her postpone her plans. With a price on her head and an old enemy out for revenge, Keelan can no longer allow the man she loves to risk his life for her. Landon is committed to protecting Keelan from the dangerous forces closing in, but has to make hard choices when pirates target his merchant fleet, and Keelan puts herself in danger. One thing is certain; the pirates suspect shes aboard his ship, and its not long before their schooner is spotted on the horizon. Their story began in Harts Desire: A strong willed, young woman and a cocky merchant captain pursued by a band of Caribbean pirates...what could possibly go wrong? After another run-in with pirates, Landon Hart sails his ship, the Desire to the port of Charleston for repairs and to keep a mysterious meeting set up by his late mentor. No entanglements, just business. But, Landon isnt prepared for the impact a sword-wielding, fiery-haired tempest has on his tightly guarded heart...nor the trouble she manages to attract. Keelan Grey has a plan that will save her from an arranged marriage until a deathbed confession plunges her into a dark plot of deception and revenge. Shes desperate for help, but can she trust Landon Hart with her secrets? Harts Desire is set just prior to the War of 1812, when privateers sailed the seas looking for

enemy merchant ships to plunder. Harts Desire is a story about a young woman from England, who's suddenly thrust into plantation life as the daughter of the plantation owner. Harts Desire is rich with fascinating insights into the Low Country of Charleston, the food, the medicines and the lifestyles of the people of that time. Keelan is a very independent woman who is determined to avoid a marriage of convenience. Landon and his business partner dock their ships in the Charleston harbor for repairs. Weeks earlier the merchant fleet owner, Landons mentor, set up a mysterious appointment with George Grey of Twin Pines plantation-Keelans father. It is this meeting which forces Landon and Keelans paths to cross.

Keelan has been well-tutored by her fathers valet, and not only can she read, write and keep the accounts for the plantation, but she can also fence and defend herself with a dagger. ROMANCE READERS WILL LOVE THIS SPUNKY HEROINE AND THE SCOUNDREL WHO CANT HELP BUT FALL IN LOVE WITH HER!
