

Carne da macello (Italian Edition)

Una miscela horror-grottesco-demenziale accompagner il lettore all'interno di un tritacarne dove finiranno tutti i personaggi della storia attraverso episodi scatenati volontariamente e involontariamente a causa di eccessi di vita quotidiana per poi passare ad una serie di eventi nefasti dove il destino si prender gioco di ignare vittime spettatrici inconsapevoli della propria atroce e ineluttabile fine.
