

# Murder

Stanley Hastings, the New York private detective, is back in the swing of things. But playing it safe and toning down his investigations doesn't work for him because he is a magnet for trouble. Stanley needs to help an apparently innocent housewife/call girl get out of a prostitution ring and retrieve a compromising video of her held by her pimp. Unfortunately, Stanley walks into the pimps apartment while a slaughter is in progress. To make matters worse, Stanley himself is the number-one suspect.
